Nissan Forklift

Nissan Forklift Training Hamilton - Nissan takes immense pleasure in achieving total consumer satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and detail-oriented quality standards to their clients. Incorporating a fruitful heritage combined with solid production principals, Nissan Forklifts offer some of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering consumer support, the business has four independent manufacturing facilities that allow them to persistently adapt to their consumers continually evolving needs by providing an array of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental accountability by using systems and procedures that reduce their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients require whilst being an environmentally aware organization.

Nissan is quite convinced that any of their customer's questions and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally endorsed dealers or even visiting their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
